¹⁾ Gewogener Durchschnitt für Vollarbeiter der höchsten tarifmäßigen Altersstufe (über 22 Jahre). — ²⁾ Durchweg durchschnittliche Tariflöhne. Soweit nur Mindestlöhne vereinbart waren, sind sie im Einvernehmen mit den Arbeitgeber- und Arbeitnehmerorganisationen um die derzeitige Spannung zwischen den tarifmäßigen Mindest- und Durchschnittslöhnen erhöht worden, um eine bessere Vergleichsmöglichkeit mit den tarifmäßigen Durchschnittslöhnen von 1925 und 1926 zu schaffen; vgl. auch Vorbemerkung auf S. 274. — ³⁾ Bei regelmäßiger Arbeitszeit von 51 bis 57 Stunden für 1913 und von 48 (Berlin 46) Stunden für 1925 und 1926. — ⁴⁾ Tarifloser Zustand: Berlin ab 5. 12., Mannheim ab 31. 12., Detmold ab 31. 10. 1925; es wird im allgemeinen mit den bisherigen Lohnsätzen gerechnet.
