

Internationale Übersichten

Allgemeine Vorbemerkungen

Quellen

Dem Internationalen Teil liegt vorwiegend das Material des Statistischen Amtes der Vereinten Nationen (UN) zugrunde. Soweit zweckmäßig, wurden aber auch Originalquellen der Statistischen Ämter der einzelnen Länder herangezogen. Außerdem wurden Veröffentlichungen der den Vereinten Nationen angeschlossenen und sonstigen internationalen Körperschaften¹⁾, bei den Preisen darüber hinaus Marktnotierungen und Zeitschriftenberichte, verwendet. Aus Raumgründen sind nur die wichtigsten Quellen aufgeführt. Angaben für die Bundesrepublik Deutschland sind grundsätzlich der nationalen Statistik entnommen.
